

THANK YOU

THESE COASTERS ARE HANDMADE FROM EPOXY
each piece is unique in its colours and marbling
you can use both sides of the coaster
please note, coasters are sold in sets of 3

MAKE SURE THAT YOUR FAVOURITE ITEMS REMAIN LOVELY FOR YEARS TO COME
so wash the coasters with a soft cloth and water or mild detergent
do not use a hard scourer sponge
do not keep direct heat on the coaster to avoid melting or deformation
a hot drink in a mug that is not too warm along the bottom will work

ENJOY!
